ADITIVO
SUPER DIESEL
MARINE

Combinação de agentes com propriedades de limpeza, proteção e de aumento do índice de cetano. O aumento da facilidade de ignição resulta numa melhor combustão. Os aditivos de proteção contra a corrosão protegem a totalidade do sistema de combustível contra a ferrugem e formação de corrosão. Graças ao excelente efeito de limpeza, os componentes ficam limpos e isentos de depósitos.

SPRAY DE CERA
BRILHANTE MARINE

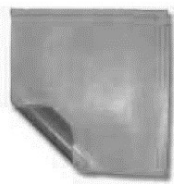

Cera hidrófuga, resistente à água salgada e à radiação UV com boas propriedades de limpeza e efeito abrillantador. A sujidade leve e as sujidades gordurosas são removidas fácil e rapidamente, sem deixar qualquer vestígio de riscos derivado da limpeza. A superfície protetora resultante equilibra os riscos ligeiros e conserva a pintura contra as influências climáticas.
